Chapter 1

Reproducible Master E

Why Is It Important to Study Children?

Each box is labeled with a reason studying children is important. In the space inside each box, write, draw, or find pictures to illustrate the reason. Also write a two- to three-sentence summary predicting how each reason will apply to you as you study child development.

To Understand Yourself	To Be a Responsible Parent
To offaciotalia routocii	To be a ricopolisible raient
To Work with Children	To Protect Children's Rights
To Work with Children	To Protect Children's Rights
